

LL174 Expandable Series

General Purpose Bar Lights

Product Highlights

- Intense illumination for long working distances or large area applications
- Works great in pairs to create a square area of illumination
- Three lens options - narrow, medium (standard), and wide
- Washdown option available
- LL174 Expandable in 6" Increments from 6" to 84"
- LL174 Derivatives: LL6324 (24"), LL6212 (12"), LL5806 (6")

General Specifications

Warranty Information

Every Advanced illumination, Inc. (Ai) product is thoroughly inspected and tested before leaving the factory. Products are warranted to be free of defects in workmanship and materials for a period of two years from the original date of purchase. Should a defect develop during this period, please contact Ai Customer Service or your Ai distributor for a Return Merchandise Authorization (RMA), and return the complete product, freight prepaid, to Ai. If a defect is found, Ai will - at our discretion - repair or replace the product without charge. Ai claims no liability for any implied warranties, including "merchantability" and "fitness for a specific purpose."

Electromagnetic Compatibility

This product was tested and complies with the regulatory requirements and limits for electromagnetic compatibility (EMC) as stated in the product specifications. These requirements and limits are designed to provide reasonable protection against harmful interference only when the product is operated in its intended industrial electromagnetic environment. To minimize the potential for electromagnetic interference or unacceptable performance degradation, install and use this product in strict accordance with the instructions in the product documentation.
